

STUDENT LEADERSHIP SUMMIT

Why are you passionate about student leadership development?

I've learned that leadership development is less about building new skills and more about uncovering our natural talents and playing to those strengths. This means that each of us can be a leader in our own funky, unique way.

Favorite quote:

"The past is gone, and cannot harm you anymore. And while the future is fast coming for you, it always flinches first and settles in as the gentle present." – Cecil Baldwin // This always settles me down when I'm anxious about a meeting, presentation, or other nerve-wracking experience!
