

# STUDENT LEADERSHIP SUMMIT

## **Why are you passionate about student leadership development?**

“One reason I am passionate about student leadership development is the opportunities to help a student develop the necessary skills that come with impactful decision-making. As leaders are often tasked to make decisions that have the biggest risks, leaps and to step up to the plate within teams, organizations and companies”.

## **Favorite quote:**

“Emancipate yourself from mental slavery, none but ourselves can free our minds.” – Bob Marley
